Addressing Parent Concerns

School representatives are often called upon to advocate for parents in our schools. However, please keep in mind that that PC has created a protocol for this where reps are encouraged to contact our Advisor when approached by a parent. Wanda Brown, former PC Chair can be contacted at visionarybrown@aol.com if you need to talk about this further.

We discussed questions on the chart at length. We had several recommendations:
Create a standard Addressing Parent Concerns reporting sheet/form for reps to use
Can we put the PC rep Handbook on school websites?
