

# Mentoring at Glenallan Elementary School

NAACP Meeting  
March 2018

# Mentoring

Every child deserves and needs an adult that unconditionally has their back. An adult that measures their personal success by the success that a child is experiencing.

# Why Mentoring Programs?

A mentoring program provides a consistent structure to instill the character education, values and experiences to increase social emotional well-being, self-image, and the academic performance.

# Gator Guys

Gator Guys is a group of 30-35 4th and 5th grade male students that are selected by completing an application, recommendation from teachers, and needs based according to increased responsibility, leadership opportunity, and exposure to relevant and meaningful experiences.

# Create Opportunity

- Community Service
- College Visits to Georgetown, University of Maryland, and George Washington University
- Field Trips to Washington DC - visit museums to build an understanding of social justice
- Mentoring Younger Students within the school building
- Sports Teams - School basketball and soccer team

# How?

- Teacher/Parent Collaboration
- Community Partnerships
- Student Voice
- Flexibility
- Opportunities to merge curriculum with mentoring programs
